## First Aid for Children Today (FACT) for Grades K-3

### Add FACT to Your Curriculum!

The FACT Critter Clan leads kids through health promotion and injury prevention activities. Its environmental theme teaches safety in a non-threatening way. Topics include:

- Hygiene and health habits
- First aid
- Personal safety
- Injury prevention

The FACT Fun Book reinforces lessons with coloring, puzzles, stickers and activities. The Leader's Kit, designed for teachers with no formal health and safety training experience, is packed with tips for adding FACT to your curriculum.
